PREP: clean and destem strawberries, make potato chips, make sugar cookies, refrigerate drink pouches, and (right before the event) steam rice, boil water, and preheat oven for frozen pizzas and later mini corn dogs.

BEFORE YOU BEGIN the FILM: have guests select their Ramen flavor. If your guests ate a meal prior to the movie, consider skipping to the 'dessert bar' version of the activity.

Depending on your preference, select the original or try the SING-A-LONG version of KOP Demon Hunters on NETFLIX.

DESSERT BAR MENU

If your party plans involve having a meal before KPOP Demon Hunters, then consider omitting the entrees from this party plan. Instead of serving Ramen during the first course, make Oreo dirt cups with silk flowers. Each guest receives a kids' coffee pot or tiny pitcher of chocolate sauce that they can pour into their flower pots.
